## *Special Thanks To*

Dog House Drinkery is dog friendly drinkery. They have a 1/2 acre fenced in, off-leash dog area with access to the bar without having to leave the park area. They also have a separate 10,000 square ft off leash area in the front of the property, a separate area for small dogs (less than 30 pounds) that is connected to the main park area, and multiple areas for dogs & their owners to hang out without using the off-leash park areas. Dogs are always welcome in the bar area(s).
