Live confidently in your outdoor space without fear of spills and stains.

SPF SOLAR PROTECTED FABRIC

SPF Solar Protected Fabric™ keeps your cushions as colorful and vibrant as the day they were purchased! Woven from 100% solution-dyed, high-quality synthetic fibers, SPF fabric is designed to be resistant to SUN, WEAR, STAINS, MILDEW, AND MOLD – all while providing the support and comfort that's synonymous with GatherCraft. Depending on the collection, this material comes with a 1, 2, 3, 4 or 5-year warranty (SPF 10, 20, 30, 40 or 50), and is extremely easy to clean and maintain.

Simple maintenance helps keep your SPF fabric looking clean and fresh. Maintenance includes covering cushions from the rain, brushing off dirt before it embeds in the fabric, quickly wiping up spills, and spot cleaning soon after stains occur.

Light or General Cleaning

- Use a sponge or soft brush to apply mild soap and warm water to the fabric.
- Rinse thoroughly.
- Air dry.

For a Deeper Cleaning Including for Mildew

- Machine wash covers using gentlest cycle with like colors and cold water.
- Air dry.
