MEMōR Cards

Realtor and Mortgage Lender Partner Program

How well do your past clients remember you? At the Nancy K Insurance Agency, we understand how important it is to maintain relationships with your customers.

When we can assist a client referral from a Realtor or mortgage lender with their insurance needs, we then enroll the client in our MEMōR Card Program. The word, Memor, comes from the Latin root for Memory - and the purpose of the MEMōR Card Program is to help your clients remember you!

They will receive up to 8 personalized cards in the mail for each year they remain in the program – all as if sent directly from you. Only your signature and business card will be included. This is a powerful way of helping them remember you and your services for when they may need you again. It's also a proven way of helping them refer your services to others.
