Care and Maintenance

Simple maintenance helps keep your new umbrella looking clean and fresh. Your umbrella features vented polyester fabric that resists the effects of sun, mildew, and dirt. Be sure to close the umbrella when not in use or during storms and/or occurrences of high wind.

Light or General Cleaning

- Use a sponge or soft brush to apply mild soap and warm water to the fabric.
- Rinse thoroughly.
- Air dry.

Mold or Mildew

- Use all-purpose detergent
- Follow with sponge or soft brush with gentle soap and water.
- Rinse thoroughly.
- Air dry.
